February 27, 2012

Dear Senator Negron:

On behalf of the Rivers Coalition, I am writing to strongly urge you to support the funding for Everglades restoration. As you know, this issue is very important to your constituents on the Treasure Coast and critical to the long term economic sustainability of our region. We will be watching, as the budget makes its way through the legislature, expecting you to represent the interests of your voters.

Sincerely,

Leon Abood, Chairman  
Rivers Coalition
